I have a BS degree in organ pedagogy from Brigham Young University, Provo, Utah. I have had multiple experiences accompanying choral groups and soloists, and playing for religious services.

I have taught piano and organ, but want to focus on teaching organ. It is helpful for people to have piano experience and training and be able to play standard hymns before starting organ lessons.

Accompaniment, Church Music, Memorial Music, Wedding Music, I can do piano and or organ for these services.
