Symphony Workshops. We hold two recitals per year where students perform. They also have opportunity to attend festivals and competitions. I do not teach the method of Suzuki, however I do utilize the pieces in his books. My students will receive regular doses of theory throughout the course of their instruction with me. My studio is full of students that really have a strong desire to play the violin and practice so they advance very quickly. Although I am an absolutely fun teacher, I do have a firm practicing policy and thank you for your understanding ahead of time. :)My rates are viewable on my website.Grace Music Studio also has a program called Grace Music Dollars.
